Improved Productivity

PlushMat anti-fatigue mats provide a new level of comfort that is unrivaled in the market today. Drastically reduce lost time from foot, leg and back problems resulting from standing on hard and/or cold surfaces. PlushMats have tapered edges which help prevent tripping. This feature also accommodates movement of wheeled carts and chairs.

PlushMat anti-fatigue mats are made of cast polyurethane foam which provides soft, cushioned surface and ergonomic support for feet, legs and back. This material insulates the user from cold hard concrete flooring. This product is anti-skid, anti-slip, highly durable and easily cleaned.

The Plush Mat is one of our best selling door mats. As its name suggests this doormat offers a high density plush carpet pile and is hard wearing for internal use. The Plush Mat is an easy to care for door mat and can be vacuumed, extraction cleaned or simply hose off. The plush carpet pile on this doormat effectively removes dirt and moisture from foot traffic. A quality doormat, made in the USA.

General all-purpose mat

A fabulous economical solution and a general all-purpose mat made of cut pile and UV stabilized fibres ensuring it won't rot or fade, unlimited colors available.

The cut pile carpet top is commercial grade and is suited to medium volume of traffic; the low profile edging keeps the mat flat. These mats can be vacuumed, swept or hosed down and look fantastic in a lobby or entrance area.

Standard & custom size available.
